## **DECISION**

### **On modifying some norm documents issued by National Regulatory Authority in Natural Gas Sector**

According to provisions of art. 8 item 1) and of art. 10 para. (4) and (5) in the Gas Law no. 531/2004,

**The President of National Regulatory Authority in Natural Gas Sector** issues the present decision.

**Art. I** – The annex at the decision of the president of the National Regulatory Authority in Natural Gas Sector no. 1078/2003 on approving the Criteria and methods for approving prices and establishing regulated tariffs in natural gas sector, published in Monitorul Oficial of Romania, Part I, no. 40 in January 19, 2004, shall be modified as it follows:

#### **1. Article 60 shall have the following content:**

“**Art. 60** – The tariff system for the distribution activity contains tariffs differentiated by categories of consumers and homogenous distribution systems, according to technical characteristic and operational regime for each distribution system.”

#### **2. Article 60 shall have the following content:**

“**Art. 61.** – (1) The distribution tariffs are monom type and quantify the fix and variable costs related to accomplishment of the distribution activity.

(2) The distribution tariffs shall be applied for amounts of distributed natural gas.”

#### **3. Article 62 shall be abrogated.**

#### **4. Art. 63 shall have the following content:**

“**Art. 63.** – The regulated final prices are set differentiated by categories of consumers, for each distribution homogenous system, in compliance with the configuration of the systems through which the natural gas supply is achieved.”

#### **5. Art. 64 shall have the following content:**

“**Art. 64.** – (1) The final prices are monom type and quantify the fix and variable costs related to accomplishment of the regulated supply activity.

(2) The final regulated prices shall be applied for amounts of regulated supplied natural gas.”

#### **6. Article 65 shall be abrogated.**

#### **7. Art. 140 shall have the following content:**

“**Art. 140.** - The equivalent value of distribution services performed for a user of the distribution system is monthly invoiced and is established with the following formula:

$$VTd = Td \times Q$$

Where:

VTd - total value of the invoice, exclusive VAT, for the distribution service, expressed in ROL;

Td – regulated distribution tariff, expressed in ROL/tcm;

Q – the distributed amount, expressed in 1000 m<sup>3</sup>.

**8. Article 141 shall have the following content:**

“**Art. 141.** - The equivalent value of regulated supply services performed for a final customer is monthly invoiced and is established with the following formula:

$$VTf = Pf \times Q$$

Where:

VTf – total value of the invoice, exclusive VAT, for the supply service, expressed in ROL;

Pf – final regulated price, expressed in ROL/tcm;

Q – the supplied amount, expressed in 1000 m<sup>3</sup>.

**Art. II.** – Paragraph 2 “Referring to art. 2” of the chapter I in annex no. 1 at the Decision of the President of National Regulatory Authority in Natural Gas Sector no. 311/2005 on approval of the additional documents for applying the Criteria and methods for approving prices and establishing regulated tariffs in natural gas sector, approved by Decision of the President of National Regulatory Authority in Natural Gas Sector no. 1078/2003, published in Monitorul Oficial of Romania, Part I, no. 317 in April 14, 2005, shall be abrogated.

**Art. III.** - Specialty compartments within National Regulatory Authority in Natural Gas Sector and the licensed operators in natural gas sector shall fulfill the provisions in the present decision.

**Art. IV.** – The present decision shall be published in Monitorul Oficial of Romania, Part I.
