“Financing ESCO projects through EPC”

Workshop - Bucuresti, November 07, 2019

Carmen Pavel – ESCOROM - President

Who are we & what we do?

- **Born in 2015** – private, independent initiative – no subsidies from RO Gov or EU.
- **Members:** 7 companies active in the ESCO industry + 1 independent EE consultant.
- **Main goal:** removal of legislative barriers hampering the activity of ESCOs in the RO public sector.
- **Biggest concern:** ESCOs are not active in the public sector.
- **Short term objectives:** Preparation of specific procedures for ESCOs:
 - implementation of standardised M&V methods;
 - implementation of ESCOs certification mechanisms.
